

Future Role of the Business Sector as a Public Institution Promoting Universal Values ~Beyond Business and Human Rights~

A peaceful and fair society provides a good environment for business

Business opportunities can be found in solving structural challenges including human rights violations.

Government

Congress · Military · Polic

Congress • Military • Police • Courts

A fair society where human rights are protected and citizens are involved in policymaking

Civil Society

Declaration of commitment to peace, fairness, and respect for human rights; dialogue with government and civil society

> Business Sector

Media

Universities, research institutions, labor unions, etc.
